

MISSING CHILD POLICY

Date: Mar-18

Review Date: Mar-19

The safety of our girls is our priority whilst they are in our care at School. Every care is taken to ensure that all pupils are accounted for at all times when they are in our care and this policy sets out our procedures for dealing with the unlikely event of a pupil going missing. Every adult who works at the School has been trained to appreciate that he or she has a key responsibility for helping to keep all of the children safe at all times.

The aim of this policy is to:

1. provide a clear procedure which is understood and effectively implemented by all staff
2. enable the missing pupil to be located as quickly as possible, given the appropriate level of safety and security in line with the pupil's age and emotional/behavioural maturity

Staff need to be mindful that a child can go missing at any time of the day.

Responsibilities:

Staff are responsible for completing Attendance Registers. They must be completed accurately and promptly.

- Registers must be completed twice a day; by 8.40 am and by 2.00 pm.
- Peripatetic staff must take a register and inform the School Office of any absences.
- If a member of staff takes a pupil, group or class out of school they are responsible for informing parents and school staff. There is an Educational Visits policy which should be referred to before any trip is organised.
- Girls must be handed over to their parents/carers by staff at the front door.
- Older girls may have written permission to walk home and they inform the member of staff on duty, at the door when they are leaving.
- It is the responsibility of parents to ensure they provide correct and updated contact information and know the procedures for handover of their child at the beginning and end of the day.

If a parent takes a pupil out of school during the day, the parents must ensure their child signs out at the School Office and signs in if they return.

Procedures Aimed at Reducing Risk of a missing pupil:

- External doors to the School site are closed once girls have arrived in the morning until they are due to go home.
- If girls leave the classroom to work in other parts of the school, the class teacher must ensure that adequate supervision is maintained in line with the pupil's age and emotional/behavioural maturity.

After School Clubs:

- Risk assessments are in place

Procedures In the Event of a Pupil Going Missing:

- In the event of a pupil being unaccounted for, a member of staff should inform the School Office. If the School Secretary is not in the office the Headmistress or a member of the Senior Leadership Team (SLT) will be informed.
- The following lists held in the School Office will be checked:
 - Attendance Registers
 - Offsite record

- If the child has not been found after 15 minutes from the initial report of them as missing, parents should be notified. When contacting parents /carers, staff will ask them to bring with them a recent photograph of their child and the school may also provide one.

- Staff will be asked to write a description of what the pupil was wearing and any distinguishing features.
- If the missing pupil has any special medical or learning needs then these need to be noted to be disclosed to police or other agencies following permission from the parents.
- When the missing pupil is found, the Headmistress or a member of SLT will contact the child's parents or police as appropriate.

In the event of a missing pupil while off school premises:

- The group leader must ensure the safety of remaining pupils with appropriate staffing levels.
- Adults should immediately start searching for the pupil and notify the organisation or centre they are visiting.
- The group leader should contact School and speak with the Headmistress and in her absence a member of SLT.
- If the pupil is not found within 10 minutes, the group leader must contact the police. The group leader should alert School that the police have been contacted so arrangements can be made to notify parents.
