Review: Date: Aug-2021

1. General

Sarum Hall School (“the School”) is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority.

The School aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the School’s Application Form and recruitment process must be directed to the Bursar.

An entry will be made on the Single Central Register for all current members of staff at the School, the proprietorial body and all individuals who work in regular contact with children including volunteers, supply staff and those employed as third parties.

The Headmistress, together with the Senior Leadership Team, is responsible for day to day management of the School, overseen by the Governing Body.

All checks will be made in advance of appointment or as soon as practicable after appointment.

2. Scope of this Policy

The Recruitment, Selection and Disclosures Policy and Procedure herewith refers and applies to staff directly recruited and employed by the School. In the Education (Independent Schools Standards) (England) Regulations 2014, staff are defined as:

Any person working at the School whether under a contract of employment, under a contract for services or otherwise than under a contract, but does not include supply staff or a volunteer.

In the case of agency or contract workers, the School shall obtain written confirmation from the agency or company that it has carried out the appropriate checks. The school conducts identity checks on agency and contract workers on arrival in school and, in the case of agency workers which includes supply staff, the school must be provided with a copy of the DBS check for such staff.

The School will check with the relevant supply agency that the required checks have been carried out (identity, enhanced disclosure, right to work in the UK, barred list/list 99, prohibition, qualifications, overseas checks plus in line with KCSIE two references, declaration of medical fitness, check of previous employment history). The Single Central Register shows these checks have been made and the School carries out its own identity check and has a copy of the disclosure (whether or not it discloses any information).

Certain individuals are automatically disqualified from acting in senior management positions within a charity. Whether an individual falls into the category of a senior management position is judged using the following criteria:

Recruitment, Selection and Disclosures policy and procedure

Date: Jan-2021

Review: Date: Aug-2021

- A person who is accountable only to the governors, and who carries overall responsibility for the day-to-day management and control of the charity. At Sarum Hall School this would be the Head.
- A person who is accountable only to the Head or the governors, and who is responsible for the overall management and control of the charity's finances. At Sarum Hall School this would be the Bursar.

Being disqualified means that a person can't take on, or stay in, a senior manager position – even on an interim basis, unless the Charity Commission has removed (or 'waived') the disqualification.

In respect of contractors, unchecked contractors will under no circumstances be allowed to work unsupervised in School. The School will determine the appropriate level of supervision depending on the circumstances.

Specific checks are requirements for Visiting Speakers – refer to the Visiting Speaker Policy.

Any staff who TUPE transfer into the School's staff, will be required to undertake the statutory requirements with regard to safer recruitment checks.

If staff are transferred under TUPE (gap of three months or less and information complete) information will be passed to the new employer and a note made on the Single Central Register that details have been accepted under TUPE.

3. Application Form

The School will only accept applications from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms.

The School will make candidates aware that all posts in the School involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

Checks will be made of previous employment history to ascertain satisfactory reasons for any gaps in employment. These checks will then be checked against references and any discrepancies discussed with the candidate.

As the position for which candidates are applying involves substantial opportunity for access to children, it is important that applicants provide the School with legally accurate answers. Upfront disclosure of a criminal record may not debar a candidate from appointment as the School shall consider the nature of the offence, how long ago and at what age it was committed and any other relevant factors. Information should be submitted in confidence enclosing details in a separate sealed envelope which will be seen and then destroyed by the Bursar. If candidates would like to discuss this beforehand, they are asked to please telephone in confidence to the Bursar for advice.

Any unspent convictions, cautions, reprimands or warnings must be disclosed to the School. However, amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the position. Additionally, successful applicants should be aware that they are required to notify the school immediately if they are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare or registration.

The statutory guidance "Disqualification under the Childcare Act 2006 (July 2018)" applies to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The school takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the school immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive.

Staff and/or successful candidates who are disqualified from childcare or registration may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Bursar for more details.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify a candidate for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

The School has a legal duty under section 26 of the Counter-Terrorism and Security Act 2015 to have 'due regard to the need to prevent people from being drawn into terrorism'. This is known as the Prevent duty. Schools are required to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Accordingly, as part of the recruitment process, when an offer is made the offer will be subject to a Prevent duty risk assessment [more guidance for schools from the DfE on this can be found [here](#)].

If the candidate is currently working with children, on either a paid or voluntary basis, the School will ask their current employer about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If the candidate is not currently working with children but has done so in the past, the School will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the School will still ask the current employer

about the candidate's suitability to work with children. Where the candidate has no previous employment history, the School may request character references which may include references from the candidate's school or university.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the School if they have been appointed, and a possible referral to the police and/or DBS.

4. **Invitation to Interview**

The School will short list applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. Short-listed applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

All formal interviews will have a panel of at least two people chaired by the Head/Bursar or another designated senior member of staff. It is recommended best practice that at least one person on the appointment panel will have undertaken safer recruitment training. The Chair of Governors should chair the panel for the Bursar's/Head's appointment. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should withdraw from the panel. Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

The interview will be conducted in person and the areas which it will explore will include suitability to work with children.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

The School requests that all candidates invited to interview also bring with them:

1. A current driving licence including a photograph or a passport or a full birth certificate;
2. A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
3. Where appropriate any documentation evidencing a change of name;
4. Proof of entitlement to work and reside in the UK.
5. Documentation confirming their National Insurance Number (P45, P60 or National Insurance Card)

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Temporary changes to right to work checks were implemented during the height of the coronavirus pandemic to assist with safer recruitment where face to face contact was not possible in the usual way. Candidates should notify the School immediately if they are experiencing any issues with providing right to work information as a result of covid-19. The School may be able to initiate right to work checks on the basis of scanned images and live video links. Further guidance is available at <https://www.gov.uk/guidance/coronavirus-covid-19-right-to-work-checks>.

Remote interviews will comprise of the following elements:

- General interview with members of the Senior Leadership Team – Head, Deputy Head and the Academic Director & Head of e-Learning
- In-tray exercise completed verbally
- Discussion about a planned lesson

Candidates should ensure that they are in formal work clothing for the interview and that they are able to conduct the interview in a quiet space. The School would also advise that candidates check they have the right and functioning technology ahead of the interview time. The interview panel will be seen in the normal way for a technology enabled conference, i.e. as individual tiles on the screen. The Headmistress will introduce candidates to the panel before the interview begins.

6. Conditional Offer of Appointment: Pre-Appointment Checks

Any offer to a successful candidate will be conditional upon:

1. Receipt of at least two satisfactory references (if these have not already been received);
2. Verification of identity and qualifications including, where appropriate, evidence of the right to work in the UK;
3. A satisfactory enhanced DBS check and if appropriate, a check of the Barred List maintained by the DBS;
4. For a candidate to be employed as a teacher, a check that that the candidate is not subject to a prohibition order issued by the Secretary of State. Teaching work is defined in The Teachers' Disciplinary (England) Regulations 2012 to encompass:
 - Planning and preparing lessons and courses for pupils
 - Delivering and preparing lessons to pupils
 - Assessing the development, progress and attainment of pupils
 - Reporting on the development, progress and attainment of pupils;
5. Verification of professional qualifications, where appropriate;
6. Verification of successful completion of statutory induction period (for teaching posts - applies to those who obtained QTS after 7 May 1999);

9. Receipt of a signed Staff Suitability Declaration form showing that the candidate is not disqualified from providing childcare as set out in the statutory guidance "Disqualification under the Childcare Act 2006 (July 2018)";

11. Where the successful candidate will be taking part in the management of the school, a check will be carried out under section 128 of the Independent Educational Provision in England (Prohibition on Participation in Management) Regulations 2014. This applies to all Governors, Senior Management Team and teaching heads of department; and

It is the School's practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence and processed in accordance with the Privacy Notice and Data Protection Policy. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, layout of the School.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

7. References

The School will seek the references referred to in section 5 above for shortlisted candidates (including internal applicants) and may approach previous employers for information to verify particular experience or qualifications, before interview. One of the references must be from the applicant's current or most recent employer. References must be received by a senior person with appropriate authority. If the candidate does not wish the School to take up references in advance of the interview, they should notify the School at the time of applying.

The School will ask all referees if the candidate is suitable to work with children.

The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials. The School will verify all references. Where references are received electronically, the School will ensure they originate from a legitimate source.
